PROFILE

Croatian-born archaeologist and (ancient and environmental) historian. Lecturer at Beiwai College at Beijing Foreign Studies University. Research interests are in three main focuses: a) global antiquities and comparative archaeology, b) mirror studies, c) environmental humanities. Educated in Croatia, India and China with shorter stay in the USA and various seminars and workshops in Croatia, Estonia, France, Germany, Portugal and Serbia (20 trainings, workshops and seminars). Published authored and co-authored papers, books, articles and essays in 49 journals and 25 portals and websites in Bosnia and Herzegovina, Brazil, China, Croatia, Germany, Montenegro, North Macedonia, Russia, Serbia, UK and USA. An editor of books, publications and member of editorial board in journals (5 books, 12 journals and publications).

Worked as history teacher in primary school, external associate at college and secretary of national CB organization and as fieldworker in archaeological field research and member of international projects (3 full time, 6 part time and external positions). Taught at university (48 lectures), college (8 lectures) and primary school (1100 lectures).

An experienced public speaker at conferences (29 local, national and international), scientific and popular science events (102 events) and media (31 interviews). Successful organizer and (co-) leader of projects (5), associations (47 services) and events (93). User of grants, scholarships and fellowships in Croatia and China (8). Skillful mentor and tutor for primary and secondary school students (10 projects). Affiliated to professional organizations (10 active, 4 former).

RESEARCH AREAS OF INTERESTS

- Mirror studies (global and comparative approaches)
- Global antiquities (Greece, Rome, Persia, India and China)
